

**Features**

- Durable, low-maintenance, triple chrome-plated, carbon steel frame is long-lasting
- Dynamic recline range from 90 to 180
- Rear axle base moves, providing stable center of gravity in recline position
- Multiple frame color variations for customizing
- Multiple wheel offerings allow variation of seat-to-floor heights
- Urethane rear tires mounted on "no flex" wheels offer superior performance
- Urethane casters for better ride and lighter weight
- Low-maintenance, dual-sealed precision bearings
- Heavy-duty inner liners keep seat and back from stretching
- Flame-retardant upholstery resists mildew and bacteria, as well as cold-crack and UV damage
- Stocked with attendant (standard)

The Invacare IVC 9000 XT Recliner wheelchair is the number one choice for individuals who demand a truly versatile, yet moderately priced lightweight wheelchair. The 9000 XT Recliner can be configured into an endless number of seat widths, depths and heights, and has multiple frame and upholstery options. The recliner has been standardized to interchange components and accessories with the other 9000 series chairs.
