Omnicart® Flat Storage Racks

Reduce the wear on chart pages by storing your binders in our Omnicart® Flat Storage Rack. Universal design allows storage of top and side open chart binders in the same rack. Welded steel frame and coated wire organizers provide a durable and attractive finish.

- Holds 1", 1½", 2" & 2½" binders
- Capacity ranges from 10-60 charts
- Shipped assembled
- Backed by a 7-year guarantee

Omnicart® Cabinet Style Flat Storage Racks

Omnicart® Cabinet Style Flat Storage Racks enhance the aesthetics of your chart storage areas. Fully enclosed top, side and back panels protect charts and promote record confidentiality. Consider optional locking panels for "lock and key" security of patient information.

- Holds 1", 1½", 2" & 2½" binders
- Capacity ranges from 10-60 charts
- Shipped assembled
- Backed by a 7-year guarantee

HIPAA Note:

On April 14, 2003, the Health Insurance Portability and Accountability Act went into effect requiring all health care facilities to protect an individual's medical records and other personal health information. One of the provisions calls for securing patient records containing individually identifiable health information under "lock and key" so that they are not readily available to those who do not need them.
