BEAM™

Beamatic™ Screen Frame

Get the privacy you deserve with the unique Beamatic Screen frame. This stable "S" shape base allows the screen frames to fully expand providing total usage of the entire width and height of the frame for immediate privacy. When not in use, the base easily folds for compact vertical storage. Available in 2, 3, 4, or 5 section models. Each section measures 68"Hx19"W and requires one panel per section. Panels sold separately. (See page 14)

How to Order Privacy Screens

Order panels and screen frames together for a complete screen.

Step One - Choose the screen frame: Beamatic, Economy, King-size or Mobil.

Step Two - Choose the fabric or vinyl panels:

- Premier, Elite, Standard or Economy
- One panel per section for the Beamatic and Economy screen frames.
- Two panels per section for the King-size privacy screen frame.

For replacement, screen frames and panels are also sold separately.
